## What is Operation Backpack?

Each year, hundreds of Virginia Beach school students start the school year without a backpack and basic school supplies. For the last several years, we've decided to use our annual Shred Day event to collect backpacks and other school supplies so the students in our community have what they need before heading to class.

Donations will be accepted at both branch locations through July 31st.

Cash and check donations also accepted. Make checks payable to: Beach Municipal FCU and put "Backpack Donation" in the memo line!
