BEACH MUNICIPAL FEDERAL CREDIT UNION PARTNERS WITH THE VIRGINIA BEACH EDUCATION FOUNDATION

VIRGINIA BEACH, VA, October 30, 2025 - Beach Municipal Federal Credit Union (BMFCU) today reaffirmed its commitment to supporting local organizations by presenting a check to **Samaritan House**, the latest beneficiary of its **Coins for Community** program.

Coins for Community Program

The Coins for Community program is a unique fundraising initiative where the Credit Union collects fees from its coin machines, matches those fees, and donates the total amount quarterly to a selected local organization.

- **How it works:** Members participate by using the coin machines to count their loose change. The Credit Union matches the nominal fee for each transaction and contributes the combined amount to the designated partner organization.
- **Quarterly Impact:** Each quarter, Beach Municipal FCU selects a new organization to benefit from the program, ensuring the funds raised go to a deserving cause in the community.

Supporting Samaritan House

"We're deeply grateful to Beach Municipal Federal Credit Union and everyone who used their service through Coins for Community. Your support will help us provide survivors that are fleeing violence with needed resources, such as emergency housing, victim advocacy, and case management. Your generosity is more than a donation - it brings safety, comfort, and hope to those who desperately need it," said Kelsey Fadness, Marketing Manager.

Beach Municipal FCU has been serving the financial needs of Virginia Beach City and School employees since 1970. We are dedicated to providing excellent service to our members while constantly striving to make a positive impact on the lives of others through hands-on involvement.
