Beach Municipal FCU Supports Local First Responders Through Coins for Community Program

Q1 Community Giving Initiative Benefits Virginia Beach Oceana Fire Department

VIRGINIA BEACH, VA - June 1, 2026 - Beach Municipal Federal Credit Union is proud to announce its first-quarter Coins for Community donation to the Virginia Beach Oceana Fire Department, recognizing the vital role local firefighters and emergency responders play in protecting the community.

The donation was made possible through Beach Municipal FCU's Coins for Community program, an initiative that transforms everyday transactions into meaningful community support. Through the program, fees collected from member coin machine transactions are matched dollar-for-dollar by the Credit Union and donated quarterly to local nonprofit organizations and community-focused initiatives.

The Virginia Beach Oceana Fire Department was selected as the first-quarter recipient in appreciation of its ongoing commitment to public safety, emergency response, fire prevention education, and service to residents, businesses, and visitors throughout the Virginia Beach community.

"Our first responders dedicate themselves to serving others every day, often under challenging circumstances," said Geri Metzger, CEO of Beach Municipal Federal Credit Union. "We are honored to support the Virginia Beach Oceana Fire Department through our Coins for Community program and grateful to our members who make these donations possible. Together, we are investing in organizations that help keep our community safe, strong, and connected."

The Coins for Community program reflects the Credit Unions' commitment to the credit union philosophy of "People Helping People." By partnering with local organizations that serve the Hampton Roads region, the program allows members to play a direct role in supporting causes that improve the quality of life throughout the community.

Since its inception, Coins for Community has provided support to numerous local organizations focused on education, public service, community development, and family well-being.
