Beach Municipal FCU Drives Support for Student Success with Donation to VBCPS Mobile Resource Truck

"Coins for Community" Program Partners with VBCPS FACE Office to Bring Essential Resources to Families

VIRGINIA BEACH, VA - MARCH 13, 2026: Beach Municipal Federal Credit Union (BMFCU) today announced a donation to the **Virginia Beach City Public Schools (VBCPS) Family and Community Engagement (FACE) office**. The funds will specifically support the **Mobile Resource Truck**, a "resource center on wheels" that delivers educational materials, technology, and support directly to Virginia Beach neighborhoods.

The contribution was generated through the Credit Union's **Coins for Community** program. This unique initiative turns loose change into community impact: BMFCU collects the nominal fees from its lobby coin machines, matches those fees dollar-for-dollar, and donates the total quarterly to a selected local organization.

The VBCPS Mobile Resource Truck was chosen as this quarter's beneficiary for its vital role in bridging the gap between schools and homes, ensuring all students—regardless of their location—have access to the tools they need to thrive.

"Our Coins for Community program is a true partnership between our members and the Credit Union," said **Geri Metzger, CEO**. "By simply using our coin machines, our members are helping us fuel the Mobile Resource Truck. We are proud to support the FACE office in their mission to meet families where they are and provide the resources necessary for student achievement."

About Beach Municipal Federal Credit Union

Since 1970, Beach Municipal FCU has served the financial needs of Virginia Beach City and School employees. We are dedicated to the "people helping people" philosophy, combining specialized financial services with deep-rooted community involvement. For more information, visit **beachmunicipal.org**.
